Highlights

Trafigura Group Pte Ltd (Trafigura), a subsidiary of Trafigura Beheer B.V., is an independent commodity trading and logistics company. Its operations include trading of physical commodities, shipping and chartering, and asset management. The company sources, stores, blends, and delivers a range of raw materials including oil and refined products and metals and minerals to its clients. Trafigura trades and invests in non-ferrous concentrates, refined metals, bulk commodities such as coal and iron ore, and crude and petroleum products. It also invests in assets such as storage terminals, service stations, metal warehouses and mines. Trafigura provides asset management services through a wholly-owned subsidiary, Galena Asset Management. The company has operations in the Americas, Europe, Middle East, Asia, Australia and Africa. Trafigura is headquartered in Singapore.
