## Abstracts

TransAlta Corp - Power Plants and SWOT Analysis, 2018 Update

### Summary

The report contains a detailed description of the power generation company's business operations, history, corporate strategy, and business structure. This report contains a detailed SWOT analysis, information on key employees (executives), and major products and services.

### Scope

Major Power Plants (assets) - summarized and detailed information about the power plants (assets).

Operational Metrics (capacity, generation, revenue, sales, number of consumers).

Business description - A detailed description of the company's operations and business divisions.

Corporate strategy - GlobalData's summarization of the company's business strategy.

SWOT analysis - A detailed analysis of the company's strengths, weakness, opportunities and threats.

Company history - Progression of key events associated with the

company.

Major products and services - A list of major products, services and brands

Key employees - A list of the key executives and personnel heading key departments/functions.

Executive biographies - A brief summary of the executives' employment history.

Financial deals - Coverage of key financial deals from 2006 onwards, depending upon information availability

Important locations and subsidiaries - A list of key locations and subsidiaries of the company, including contact details.

**Note:** Some sections may be missing if data is unavailable for the company.

## **Reasons to buy**

Gain key insights into the company for academic or business research purposes. Key elements such as SWOT analysis, corporate strategy and major products and services are incorporated in the profile to assist in various business decisions (M&A and JV).

Identify potential customers and suppliers with this report's analysis of the company's business structure, operations, major products and services and business strategy.

Understand and respond to competitors' business structure and strategies with GlobalData's detailed SWOT analysis. In this, the company's core strengths, weaknesses, opportunities and threats are analyzed, providing an up to date objective view of the company.

## Overview

### TransAlta Corp Strengths

Focus on Lower Risk Business Activities: Energy Marketing Segment

Business Performance: Australian Gas and Wind and Solar

### TransAlta Corp Weaknesses

Decline in Operational Performance

### TransAlta Corp Opportunities

Positive Outlook for Electricity Demand: Canada

New Contracts and Agreements

Favorable Conditions: Canada

### TransAlta Corp Threats

Stringent Government Regulations

Seasonal Demand

Volatility in the Market

Financial Ratios - Capital Market Ratios

Financial Ratios - Annual Ratios

Financial Ratios - Interim Ratios

### Key Employees

Key Employee Biographies

Company Statement

Locations And Subsidiaries

Head Office

Financial Deals Landscape

TransAlta Corp, Deals Summary

TransAlta Corp, Power, Deal Details

### Asset Transactions

TransAlta Renewables Acquires Interest in Three Renewable Assets in US and Canada from TransAlta for USD128.1 Million

TransAlta Renewables to Acquire Two Wind Projects in Pennsylvania and New Hampshire, US

TransAlta Completes Acquisition of Lakeswind Wind Facility in Minnesota, US from Rockland Capital

TransAlta Completes Acquisition of RC Solar from Rockland Capital for USD55 Million

TransAlta Renewables Completes Acquisition of Stake in Three Power Generating Assets in Canada from TransAlta for USD404.3 Million

TransAlta Completes Acquisition of Kent Breeze Wind Farm and 51% Stake in Wintering Hills Wind Farm in Canada from Suncor Energy

TransAlta Renewables Acquires Stake in Power Generation Portfolio from TransAlta

TransAlta to Invest USD536 Million In South Hedland Power Project In Australia  
TransAlta To Acquire Wyoming Wind Energy Center In US From NextEra Energy  
Resources For US\$102 Million

TransAlta Invests US\$209 Million In New Richmond Wind Project In Quebec, Canada  
TransAlta Acquires Solomon Power Station From Fortescue Metals For US\$318 Million  
TransAlta Renewables Announces Project Financing of USD45.6 Million in New  
Richmond Onshore Wind Farm in Gaspé Peninsula, Quebec, Canada  
TransAlta Renewables Announces Bond Financing for Kent Hills Wind Expansion  
Project in Canada

#### Partnerships

MidAmerican Energy Forms Joint Venture With TransAlta  
TransAlta Enters Into Partnership With MidAmerican Energy To Develop Gas-Fueled  
Power Generation Projects In Canada

#### Equity Offering

TransAlta Renewables Raises USD115.3 Million in Public Offering of Shares  
TransAlta Renewables Raises USD129.3 Million in Public Offering of Subscription  
Receipts

TransAlta Renewables Completes Exercise of Over-Allotment Option of Public Offering  
of Subscription Receipts for USD20.5 Million

TransAlta Raises USD151 Million in Public Offering of Public Offering of Shares

TransAlta Completes Public Offering Of Shares For US\$124.4 Million

TransAlta Renewables Completes Underwriters Exercise Of Partial Over-Allotment  
Option Of IPO Of Shares For US\$20 Million

TransAlta Completes Public Offering Of Shares For US\$308 Million

TransAlta Completes Public Offering Of Preferred Shares For US\$224 Million

#### Debt Offering

TransAlta Prices Private Placement of 4.509% Bonds Due 2030 for USD262 Million

TransAlta Renewables Prices Private Placement of 4.454% Bonds Due 2033 for  
USD210.1 Million

TransAlta Raises USD152.5 Million in Private Placement of Bonds Due 2030

TransAlta Renewables Raises USD122.5 Million in Public Offering of 3.963% Bonds  
Due 2032

TransAlta Renewables Raises USD332.5 Million in Public Offering of 3.834% Bonds  
Due 2028

TransAlta to Raise USD400 Million in Public Offering of 1.9% Notes Due 2017

TransAlta Announces Public Offering Of Notes For US\$383 Million

TransAlta Completes Public Offering Of 4.5% Notes Due 2022 For US\$400 Million

#### Asset Transactions

TransAlta Renewables Acquires Interest in Three Renewable Assets in US and Canada

from TransAlta for USD128.1 Million

Fortescue Metals to Acquire Solomon Power Station in Australia from TransAlta Corporation for USD335 Million

IKEA Canada Completes Acquisition of 51% Stake in Wintering Hills Merchant Wind Facility in Alberta, Canada from TransAlta for USD46.5 Million

TransAlta Renewables Completes Acquisition of Stake in Three Power Generating Assets in Canada from TransAlta for USD404.3 Million

Suncor Energy to Acquire Stake in Poplar Creek Gas Fired Co-generation Power Plant and Related Assets in Alberta, Canada from TransAlta

TransAlta Renewables Acquires Stake in Power Generation Portfolio from TransAlta Acquisition

Alberta Investment Management to Acquire 8% Interest in TransAlta Renewables for USD149.7 Million

MidAmerican Energy To Acquire Remaining 50% Stake In CE Generation, Wailuku Holding Company And Blackrock Development Project From TransAlta For US\$193.5 Million
