Highlights

Transport for London (TfL) is the integrated transport authority for London. TfL delivers the London Mayor's Transport Strategy in partnership with the London Boroughs and other transport providers such as Network Rail and the train operators. The authority runs day-to-day operations of London's public transport network and manages the city's main roads. It manages London buses, London Underground, London Overground, Docklands Light Railway, TfL Rail and London Trams. The authority also runs London River Services, London Dial-a-Ride, Victoria Coach Station, Santander Cycles and the Emirates Air Line. The authority regulates taxis and the private hire trade, runs the congestion charging scheme and operates all of the traffic signals and work in London. The company is headquartered in London, the UK.
