Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

UBS Global Wealth Management (UBSGWM), the wealth management business of UBS AG, was formed following the February 2018 integration of its two wealth management businesses – Wealth Management Americas and other wealth management businesses. The business offers client advisory, portfolio diversification, international wealth management, alternative investments, private label funds, structured products, and research and insights solution. Its family office offerings include corporate finance advisory, structured equity financing, hedge fund advisory, private equity fund advisory, asset allocation, philanthropy, and family advisory. It primarily caters to high net-worth individuals, wealthy families, and business clients in Asia-Pacific, Europe, the Americas, and Middle-East and Africa. UBSGWM is headquartered in Zurich, Switzerland.
