Highlights

United States Steel Corporation (USSC) is an integrated steel producer of flat-rolled and tubular products. It markets steel related products in the US and Central Europe. The company's flat rolled product portfolio includes slabs, strip mill plates, sheets and tin mill products; and tubular products include steel casing and tubing, standard and line pipes, and mechanical tubing products. USSC also owns and operates coke and iron ore production facilities in the US. USSC offers these products to various markets such as construction, automotive, energy and appliance markets, oil and gas and petrochemical industries. In addition, the company carries out real estate operations and railroad services. USSC is headquartered in Pittsburgh, Pennsylvania, the US.
