Highlights

Van Oord nv (Van Oord), a subsidiary of MerweOord BV, is a contracting company. It is specialized in dredging, marine engineering and offshore projects including oil, gas, and wind. The company primarily undertakes dredging, offshore oil and gas and offshore wind projects. Its activities include creation of artificial islands and coastal defenses; land reclamation; underwater drilling and blasting; construction of vertical and horizontal drainage; building offshore wind farms under EPC contract; engineering, procurement and construction (EPC) of pipeline projects in shallow water. The company also carries out subsea rock installation services for protection and stabilization of pipelines, cables and offshore structures; and installation of gravity based structures (GBS). Van Oord operates a fleet of vessels and equipment to accomplish its projects. It operates in several countries across Europe, Africa, America, Australia, Asia and the Middle East. Van Oord is headquartered in Rotterdam, the Netherlands.
