Highlights

Vattenfall AB (Vattenfall) is a state-owned energy company that generates, distributes and sells electricity and heat. The company also conducts the sale of gas and energy trading. Vattenfall generates power through various sources of energy including wind, nuclear, hydro, natural gas, solar, coal, biomass and waste. It produces and distributes district heating and supplies to households and industries in metropolitan areas. In addition, the company provides energy services such as battery storage, network services, charging solutions for electric vehicles, heat pumps, solar panels and smart meters. It serves households, businesses, electricity and gas customers. It has presence in Denmark, Finland, Germany, the Netherlands and the UK among others. Vattenfall is headquartered in Solna, Stockholm, Sweden.
