Abstracts

SUMMARY

Strategic Defence Intelligence's 'Vigor Shipyards: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, mergers and acquisitions, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Vigor Shipyards'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Vigor Shipyards (Vigor) is a provider of repair and modernization services for military and commercial vessels. The company is one of the largest private shipyard operators in North America's West Coast region. The company performs new construction and conversion of ships for government and commercial customers. It also repairs and modernizes aircraft carriers, destroyers, frigates and icebreakers. It provides industrial

fabrication and new construction services for broad range of customers such as the US Navy and the US Coast Guard. It also provides services to National Oceanic and Atmospheric Administration, Military Sealift Command, Washington State Ferries, the Alaska Marine Highway System, cargo shippers, fishing fleets, cruise lines, tug and barge operators. Vigor Shipyards is headquartered in Seattle, Washington, the US.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Vigor Shipyards'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
