Highlights

Volta River Authority (VRA) is a state-owned energy utility that generates, transmits, and distributes electricity. The authority produces power from solar, hydro, light crude oil, distillate fuel oil, and heavy fuel oil sources. It procures energy from Takoradi International Company Ltd; and imports from Compagnie Ivoirienne d' Electricite. VRA distributes electricity through the Northern Electricity Distribution Company Ltd. Through its subsidiaries, the authority provides hospitality; river transportation; and commercial farming, agro-processing, and machinery services. VRA is headquartered in Accra, Ghana.
