Highlights

Waste Management Inc (WM) is a provider of waste management environmental services. It has presence in the entire waste management vertical, from collection, solid and hazardous waste landfills management, transfer, recycling and resource recovery to disposal. Through its personal counseling, the company assists customers in achieving their green goals, including zero waste. WM also develops, operates and owns landfill gas-to-energy facilities; and recovers naturally occurring gas inside landfills to generate electricity. It recycles various materials including plastic, paper, cardboard, glass and metal among others. The company serves municipal, commercial, residential and industrial customers in the US and Canada. WM is headquartered in Houston, Texas, the US.
