## Abstracts

'This report studies the Dinner RTE Foods market, RTE Foods refers to Ready-to-eat Foods.

Ready to eat meal products are often referred to as “convenience food”, for the convenience they provide to the hectic life of people. They are readymade food or almost readymade food that just requires boiling. Depending on the process of production and packaging, they are segmented into canned food, frozen food and chilled food. And because the major drivers of the market aren't specific to any region but are globally influencing the market, hence ready to eat meal products market is fast growing uphill and has become the largest market in food industry globally.'
