## Abstracts

A karaoke machine is a machine that enables a user to play a song without the singing and read the words to the song from a TV monitor. They used to be extremely expensive and could only be purchased by this with lots of money, but times have changed a lot and now these fun entertainment machines are affordable and easy for anyone to get. They have gained popularity and are used in Home, For Venue (BarRestaurantKTV), Outdoors and other places to provide entertainment for the guests that involve playing popular music tracks while the guests sing the songs.
