Abstracts

An adult vibrator is an object or device that is primarily used to facilitate human sexual pleasure. Many popular adult vibrators are designed to resemble human genitals and may be vibrating or non-vibrating.

Scope of the Report:

This report focuses on the Adult Vibrator in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application.

The adult vibrator market in North America is witnessing rapid growth. The rise in demand for adult toys from older women and couples is driving sales in this region. Changing cultural values and the rising propensity to experiment with adult toys, will lead to an increase in demand for adult toys during the forecast period. Retailers are creating prominent shelf lines for sexual health and wellness products. The US accounts for the larger share of the market, while Canada, too, is witnessing strong demand.

The worldwide market for Adult Vibrator is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
