Abstracts

The global Artificial Turf Installation Service market size is expected to reach \$ million by 2029, rising at a market growth of % CAGR during the forecast period (2023-2029).

Artificial turf installation service refers to the process of installing synthetic grass or turf in a designated area to replace natural grass. The service typically involves site preparation, base installation, turf installation, infill installation, and final touches. Artificial turf is becoming increasingly popular for a variety of applications, including residential lawns, commercial landscaping, sports fields, playgrounds, and more. The benefits of artificial turf include low maintenance requirements, improved durability, reduced water consumption, and a consistent appearance.

This report studies the global Artificial Turf Installation Service demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Artificial Turf Installation Service, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Artificial Turf Installation Service that contribute to its increasing demand across many markets.

Highlights and key features of the study

Global Artificial Turf Installation Service total market, 2018-2029, (USD Million)

Global Artificial Turf Installation Service total market by region & country, CAGR, 2018-2029, (USD Million)

U.S. VS China: Artificial Turf Installation Service total market, key domestic companies and share, (USD Million)

Global Artificial Turf Installation Service revenue by player and market share 2018-2023, (USD Million)

Global Artificial Turf Installation Service total market by Type, CAGR, 2018-2029, (USD Million)

Global Artificial Turf Installation Service total market by Application, CAGR, 2018-2029, (USD Million)

This reports profiles major players in the global Artificial Turf Installation Service market based on the following parameters – company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Hatko, Lowe's, Synthetic Turf Northwest, Artificial Lawn Company, Greenside Turf, Ecoworkz, Italgreen, Biltright Turf and Watersavers Turf, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Stakeholders would have ease in decision-making through various strategy matrices used in analyzing the World Artificial Turf Installation Service market

Detailed Segmentation:

Each section contains quantitative market data including market by value (US\$ Millions), by player, by regions, by Type, and by Application. Data is given for the years 2018-2029 by year with 2022 as the base year, 2023 as the estimate year, and 2024-2029 as the forecast year.
