Automotive Repair Franchises provide a wide range of mechanical, electrical and engine maintenance and repair services for automotive vehicles.

Automotive is a key driver of this industry. According to data from the World Automobile Organization (OICA), global automobile production and sales in 2017 reached their peak in the past 10 years, at 97.3 million and 95.89 million respectively. In 2018, the global economic expansion ended, and the global auto market declined as a whole. In 2022, there will wear units 81.6 million vehicles in the world. At present, more than 90% of the world's automobiles are concentrated in the three continents of Asia, Europe and North America, of which Asia automobile production accounts for 56% of the world, Europe accounts for 20%, and North America accounts for 16%. The world major automobile producing countries include China, the United States, Japan, South Korea, Germany, India, Mexico, and other countries; among them, China is the largest automobile producing country in the world, accounting for about 32%. Japan is the world's largest car exporter, exporting more than 3.5 million vehicles in 2022.

This report is a detailed and comprehensive analysis for global Automotive Repair Franchises market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company

profiles and product examples of selected competitors, along with market share estimates of some of the selected leaders for the year 2025, are provided.

Key Features:

Global Automotive Repair Franchises market size and forecasts, in consumption value (\$ Million), 2020-2031

Global Automotive Repair Franchises market size and forecasts by region and country, in consumption value (\$ Million), 2020-2031

Global Automotive Repair Franchises market size and forecasts, by Type and by Application, in consumption value (\$ Million), 2020-2031

Global Automotive Repair Franchises market shares of main players, in revenue (\$ Million), 2020-2025

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Automotive Repair Franchises

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Automotive Repair Franchises market based on the following parameters - company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include AAMCO Transmissions and Total Care, Batteries Plus Bulbs, CARSTAR Franchise Systems, Christian Brothers Automotive, Grease Monkey, Honest-1 Auto Care, Jiffy Lube Int'l. Inc, Maaco Collision Repair & Auto Painting, Master Mechanic, Meineke Car Care Centers, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals.

Market segmentation

Automotive Repair Franchises market is split by Type and by Application. For the period 2020-2031, the growth among segments provides accurate calculations and forecasts for Consumption Value by Type and by Application. This analysis can help you expand your business by targeting qualified niche markets.

Market segment by Type

Auto Body Repair

Tire Repair
