Abstracts

Background Screening is the process of looking up and compiling criminal records, commercial records, and financial records of an individual or an organization. Background Screening is often requested by employers on job candidates for employment screening, especially on candidates seeking a position that requires high security or a position of trust, such as in a school, courthouse, hospital, financial institution, airport, and government. These checks are traditionally administered by a government agency for a nominal fee, but can also be administered by private companies.
