Baseball Turf Shoes - The sports of baseball & softball sometimes involve a field that consists of both artificial turf and dirt. While turf shoes may provide excellent traction on the artificial turf in the outfield, the players may find that cleats allow for much better traction on the dirt infield. The shoe version a player selects may take into account their position on the field. Some players may wish to change shoes when they are up to bat so they can run more effectively on the dirt infield.
