## Abstracts

Camp kitchens are essentially manufactured chuck boxes, used for keeping all your camping kitchen essentials in one compact and convenient location. With lots of different models and styles available on the market today, camp kitchens can vary greatly.

### Scope of the Report:

This report focuses on the Camp Kitchen in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. Factors like the rising preference for online shopping to impel the prospects for market growth until the end of the forecast period. With the increasing penetration of the Internet, smartphones, and e-banking systems, consumers prefer shopping online over visiting physical stores. Additionally, most e-retail stores offer low prices and discounts to attract customers. For instance, Campmor, Outdoor Travel & Sports Gear, WildEarth, Adventure 18, and Backcountry Gear are some vendors that sell camping equipment online. Growing customer base and loyalty, combined with faster shipping are expected to bolster the growth prospects of the camp kitchen market until the end of 2020. In 2015, North America dominated the global camp kitchen market with a market share of more than 39%. Factors like the augmented interest in outdoor adventure sports and traditional camping among the youngsters, especially in the age group of 15-24 years, is expected to drive this market's growth in North America. The worldwide market for Camp Kitchen is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
