Abstracts

A casino hotel is a facility that provides temporary lodging services, casino services and restaurant – bar services. The customers are benefitted by both lodging as well as gambling (casino) facilities. As both these offerings are available under one roof it becomes very convenient for the customers as they can enjoy all benefits without moving to different places (lodging, food, and casino in one place).

Scope of the Report:

The casino hotel industry has witnessed a phenomenal growth in the last few years. This has enabled the sector investors to invest and establish many luxurious casino hotels in several prime regions.

The casino hotel industry is popular in the United States, Macau, Australia, China, Singapore and South Korea. The emerging economies in the Asia Pacific region reflect high growth potential. The United States is a relatively bigger market for the casino hotel industry.

The global Casino Hotel market is valued at xx million USD in 2017 and is expected to reach xx million USD by the end of 2023, growing at a CAGR of xx% between 2017 and 2023.

The Asia-Pacific will occupy for more market share in following years, especially in China, also fast growing India and Southeast Asia regions.
