Commercial real estate leasing agency services are professional services provided by commercial real estate brokerage firms, integrated real estate consultants, regional agencies, or digital brokerage platforms. These services represent non-residential property owners, developers, asset managers, corporate tenants, and other space users in the leasing, leasing, renewal, expansion, reduction, subleasing, lease transfer, and renegotiation of lease terms. Commercial real estate leasing agency services focus on office buildings, industrial and logistics properties, shopping malls and street-front retail, industrial parks, medical offices, life sciences, data centers, and other specialized commercial spaces. Key service models include owner leasing agency, tenant and corporate user agency, project pre-leasing, site selection and property screening, market rental analysis, tenant portfolio design, property display, business terms negotiation, coordination of letters of intent, transaction progress management, and execution of multi-site leasing combinations.
