Abstracts

The global Construction Contracting Services market size is expected to reach \$ million by 2029, rising at a market growth of % CAGR during the forecast period (2023-2029).

This report studies the global Construction Contracting Services demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Construction Contracting Services, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Construction Contracting Services that contribute to its increasing demand across many markets.

Highlights and key features of the study

Global Construction Contracting Services total market, 2018-2029, (USD Million)

Global Construction Contracting Services total market by region & country, CAGR, 2018-2029, (USD Million)

U.S. VS China: Construction Contracting Services total market, key domestic companies and share, (USD Million)

Global Construction Contracting Services revenue by player and market share 2018-2023, (USD Million)

Global Construction Contracting Services total market by Type, CAGR, 2018-2029,

(USD Million)

Global Construction Contracting Services total market by Application, CAGR, 2018-2029, (USD Million)

This reports profiles major players in the global Construction Contracting Services market based on the following parameters – company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Turner Construction Corporation, Bechtel Group Inc., Fluor Corporation, Balfour Beatty, Kier Group, Interserve, China State Construction Engineering Corporation (CSCEC), CREC and China Railway Construction Corporation Limited, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Stakeholders would have ease in decision-making through various strategy matrices used in analyzing the World Construction Contracting Services market

Detailed Segmentation:

Each section contains quantitative market data including market by value (US\$ Millions), by player, by regions, by Type, and by Application. Data is given for the years 2018-2029 by year with 2022 as the base year, 2023 as the estimate year, and 2024-2029 as the forecast year.
