SCOPE OF THE REPORT:

This report studies the Consumer IAM market status and outlook of Global and major regions, from angles of players, countries, product types and end industries; this report analyzes the top players in global market, and splits the Consumer IAM market by product type and applications/end industries.

North America is estimated to become the largest revenue generating region for consumer IAM vendors in 2018, followed by Europe. In the US, identity thefts highly target businesses, thus the need to meet compliance requirements for ensuring consumer identity protection act as a driving factor for the adoption of consumer IAM solutions in this region. APAC is expected to be the fastest-growing region in the consumer IAM market, due to the high adoption of IAM solutions in the high-growth APAC countries, such as China, India, Australia, Japan, and Singapore.

The global Consumer IAM market is valued at xx million USD in 2017 and is expected to reach xx million USD by the end of 2023, growing at a CAGR of xx% between 2017 and 2023.

The Asia-Pacific will occupy for more market share in following years, especially in China, also fast growing India and Southeast Asia regions.

North America, especially The United States, will still play an important role which cannot be ignored. Any changes from United States might affect the development trend of Consumer IAM.

Europe also play important roles in global market, with market size of xx million USD in 2017 and will be xx million USD in 2023, with a CAGR of xx%.
