Abstracts

Contract Catering refers to the provision of catering services under a contractual agreement between a catering company and a client. In this arrangement, the catering company is responsible for providing food and beverage services on an ongoing basis, typically at a specific location or facility. Contract Catering is commonly found in various settings, such as corporate offices, educational institutions, hospitals, sports venues, and other facilities where there is a need for regular meals or catering for events. The catering company works closely with the client to understand their requirements, preferences, and dietary restrictions to provide tailored food solutions. The scope of Contract Catering can vary widely, ranging from daily meal provision to catering for special events, conferences, or functions hosted by the client. The catering company handles all aspects of the catering operation, including menu planning, food preparation, service staff, equipment, and logistics.

According to our (Global Info Research) latest study, the global Contract Catering Service market size was valued at US\$ 222570 million in 2023 and is forecast to a readjusted size of USD 333900 million by 2030 with a CAGR of 6.0% during review period.
