Abstracts

The global Corporate Wellness Consulting Service market size is expected to reach \$ 1957.4 million by 2029, rising at a market growth of 7.3% CAGR during the forecast period (2023-2029).

Global key players of corporate wellness consulting service include Corporate Fitness Works, Curalink Healthcare, and EXOS. The top five players hold about 30% of the global share, with the largest manufacturer being EXOS at 15%. North America is the largest market in the world with about 57% market share, followed by Europe and Asia Pacific with 20% and 17% respectively. In terms of its categories, the products are divided into wellness program and consult and fitness solution. In terms of its application, large enterprises hold a larger market share with 75%; SMEs account for 25%.

Corporate wellness consultants help companies organize, manage, and administer wellness programs. These consultants provide companies with initiatives that motivate their employees to establish and maintain healthy lifestyle choices. All company sizes, industries, and departments can benefit from corporate wellness solutions, as they help shift the work culture toward health while creating a social support system for employees.
