Abstracts

The global Customer Due Diligence Service market size is expected to reach \$ 926.6 million by 2029, rising at a market growth of 6.1% CAGR during the forecast period (2023-2029).

Customer due diligence (CDD) is a series of checks to help verify the customers' identities and assess their risk profiles. CDD is a regulatory requirement for companies entering into business relationships with a customer and is a big part of anti-money laundering (AML) and Know Your Customer (KYC) directives.

This report studies the global Customer Due Diligence Service demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Customer Due Diligence Service, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Customer Due Diligence Service that contribute to its increasing demand across many markets.
