Abstracts

The global Dental Medicine Support Organization market size is expected to reach \$ million by 2029, rising at a market growth of % CAGR during the forecast period (2023-2029).

Dental Support Organization is an independent business support center contracted with dental clinics in the United States. They provide business management and support to dental practices, including non-clinical operations.

With the passage of the Affordable Care Act and the recent expansion of Medicaid, the DSO model has become increasingly popular in dental offices. In some parts of the United States, dental offices have begun transitioning from traditional clinics to a DSO model in order to provide more affordable care to a larger patient population.
