Disposable Paper Toilet Seat Cushion is a sanitary product designed for individuals seeking a hygienic solution when using public toilets. It is usually made of biodegradable and flushable paper material and comes in the form of a cushion or cover that is placed on top of the toilet seat. The purpose of the seat cushion is to provide a protective barrier between the user and the toilet seat, minimizing direct contact and reducing the risk of coming into contact with germs, bacteria, or other contaminants present on the seat. Once used, the cushion can be easily disposed of in the toilet and flushed away.
