Abstracts

According to our (Global Info Research) latest study, the global eLearning Corporate Compliance Training market size was valued at USD 5452.6 million in 2023 and is forecast to a readjusted size of USD 12390 million by 2030 with a CAGR of 12.4% during review period.

Compliance training is a broad term describing the process of educating employees on the various state, industry or company mandated laws and regulations that apply to their roles and responsibilities.

Organizational risks vary by industry and market. For some, compliance training is not mandated by law. For others, regulatory compliance training is compulsory. Failure to comply leads to hefty fines, litigation and in some cases, the loss of an operating license.

It is these consequences that makes regulatory compliance training the most significant type of training in an organization.

Compliance training is synonymous with eLearning based on its effectiveness at pushing standardized training program to a large audience.

The industry is relatively fragment, the key brand include Skillsoft, Blackboard, GP Strategies, SAI Global, Cornerstone, Saba, NAVEX Global, City&Guilds Kineo, CrossKnowledge, LRN, 360training, Interactive Services and so on.

In terms of geography, North America accounted for the majority market share of 56%

during 2018 and will continue to dominate the market during the forecasted period. The market is experiencing a high growth rate in the region due to the availability of technology-enabled corporate training and delivery methods, compliance training through mobile devices using synchronous and asynchronous methods, and videos, games, and simulated content besides the textual format. Furthermore, the increasing preference for custom-built compliance training solutions due to the changing regulations will also fuel the markets growth prospects.
