Abstracts

The global Employee Stock Ownership Plan (ESOP) Valuation Services market size is expected to reach \$ 584 million by 2032, rising at a market growth of 5.6% CAGR during the forecast period (2026-2032).

ESOP valuation services refer to the services provided by independent valuation firms, investment bank valuation teams, corporate valuation advisors, accounting consulting firms, or specialized ESOP advisors for calculating the fair market value of corporate equity, providing transaction pricing opinions, and offering ongoing valuation support for employee stock ownership plans, employee ownership transactions, and related trust arrangements. Employee Stock Ownership Plan (ESOP) valuation services focus on professional services for ESOP establishment, equity acquisition, annual plan management, trustee decision-making, transaction fairness assessment, solvency evaluation, repurchase obligation calculation, and regulatory compliance support. Core tasks typically include financial due diligence, historical and projected financial analysis, capital structure and control factor assessment, analysis of comparable companies and transactions, discounted cash flow, non-current discounting, handling of minority stakes or control, sensitivity analysis, valuation report issuance, and trustee communication.
