## Abstracts

According to our (Global Info Research) latest study, the global Estate Valuation Services market size was valued at US\$ 2675 million in 2025 and is forecast to a readjusted size of US\$ 3582 million by 2032 with a CAGR of 4.2% during review period.

Estate valuation services are professional services provided by qualified institutions that assess, calculate, and report the fair market value, realizable value, tax reporting value, or judicial reference value of relevant assets on a specific valuation date, addressing scenarios such as estate management, probate, inheritance tax or estate tax filing, gift tax filing, family trusts, wealth transfer, inheritance disputes, and cross-border asset arrangements. This research focuses on valuations of real estate, land, family business equity, equity in non-listed companies, partnership shares, financial assets, art, jewelry, collectibles, intangible assets, and other high-value assets. Service deliverables typically include formal valuation reports, appraisal reports, probate valuations, inheritance tax valuations, estate and gift tax valuations, or trust accounting valuations. These can be used for tax filing, inheritance distribution, trustee accounting, court dispute resolution, family office wealth succession decision-making, and cross-border compliance reporting.
