Abstracts

According to our latest research, the global Export Credit Insurance market size will reach USD 9101 million in 2031, growing at a CAGR of 3.1% over the analysis period.

Export credit insurance is a policy-based insurance product designed to protect exporters or banks from losses in accounts receivable due to commercial or political risks in cross-border trade. This insurance is usually provided by government-backed credit institutions or international organizations to help companies reduce export risks, enhance financing capabilities, and promote the development of international trade.

This report is a detailed and comprehensive analysis for global Export Credit Insurance market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along with market share estimates of some of the selected leaders for the year 2025, are provided.

Key Features:

Global Export Credit Insurance market size and forecasts, in consumption value (\$ Million), 2020-2031

Global Export Credit Insurance market size and forecasts by region and country, in consumption value (\$ Million), 2020-2031

Global Export Credit Insurance market size and forecasts, by Type and by Application, in consumption value (\$ Million), 2020-2031

Global Export Credit Insurance market shares of main players, in revenue (\$ Million), 2020-2025

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Export Credit Insurance

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Export Credit Insurance market based on the following parameters - company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Euler Hermes, China Export & Credit Insurance Corporation, Coface, Credendo Group, QBE Insurance, Atradius, Cesce, Swiss Export Risk Insurance SERV, Allianz Trade US, ARI Global, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals.

Market segmentation

Export Credit Insurance market is split by Type and by Application. For the period 2020-2031, the growth among segments provides accurate calculations and forecasts for Consumption Value by Type and by Application. This analysis can help you expand your business by targeting qualified niche markets.
