Abstracts

According to our (Global Info Research) latest study, the global Film Translation Services market size was valued at US\$ 223 million in 2025 and is forecast to a readjusted size of US\$ 366 million by 2032 with a CAGR of 7.0% during review period.

Film translation services refer to the professional service of translating film content from one language to another or more languages. The core principle is to achieve cross-linguistic and cultural dissemination while maintaining the artistic integrity and narrative fluency of the film. Services encompass subtitle translation, dubbing production, assisted subtitles (SDH), and multilingual version management. These services must balance linguistic accuracy, cultural compatibility, time synchronization, and lip-syncing, while also meeting the technical standards and compliance requirements of different distribution channels.
