In flag football, belts are used in order to rule a player as down. It is a thin fabric belt that is adjustable and wraps around a player's waist. It will have a few flags hanging off of the belt which can either be pulled or grabbed to release the belt. Once the flag or belt is removed, the player with possession of the ball is ruled down and play stops. Every player must wear one of these belts, regardless of their position. Different leagues will use different types of belts and there is no strict rule as to which one to use. Some belts will attach via clamps or velcro and some belts will have different release mechanisms for the flags.
