Abstracts

Yogurt, a fermented form of milk, when garnished or added with different flavors obtained from different sources like fruits and vegetables is termed as flavored yogurt. The global flavored yogurt market encompasses several varieties of yogurts based on criteria like low-fat/non-fat, frozen/regular, and flavors from different fruits.

Scope of the Report:

This report focuses on the Flavored Yogurt in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. The standard flavored yogurt segment accounted for the major shares and dominated the flavored yogurt market. Owing to its health benefits there is a constant demand for standard yogurt throughout the year. To sustain the competition, manufacturers in the greek yogurt market are focusing on introducing new and innovative savory flavors. This market study estimates that in terms of geographic regions, APAC will be the major revenue contributor to the flavored yogurt market throughout the forecast period. The rising income of people in this region and the changing tastes and preferences of the consumers, will be the major factors fueling market growth. The wide popularity of the regional vendors in this region is also fueling the growth of the greek yogurt market.

The worldwide market for Flavored Yogurt is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
