In the U.S., the number of fly fishing participants has increased steadily over the past few years. Moreover, the growing participation of females in fishing sports is further projected to enhance the demand for fly fishing apparel and accessories over the forecast period. According to the American Sportfishing Association, around 40,000 to 50,000 fishing derbies and tournaments are organized in the U.S. annually. South Texas Angler, Texas Bass Nation South Region, Karlens Big Bass, and Rio Grande Bass Club are some of the popular tournaments that involve 12 to 30 people.

Such competitions and tournaments have significantly encouraged interest and participation in fishing. As a result, the sport is gaining high traction in countries with long coastlines, such as Australia, New Zealand, parts of the U.S. and Canada, Portugal, and Asian countries like Indonesia and Sri Lanka, which is expected to drive market growth.

Fishing has emerged as a classic sport, thereby popularizing related tournaments and championships across the world. Fly fishing clothing and accessories are products designed to make the experience of fly fishing comfortable, convenient, and efficient. Fly fishing is gaining popularity as a recreational sport across the globe, which has created a large customer base for fly fishing clothing and accessories.
