Abstracts

Food Contact Paper for Packaging are used as primary packaging materials for various food products, such as baked food, confectionery, meat, snacks, and grain mill products. The papers are sustainable alternatives to many other food packaging materials, such as plastic, metal and glass. The use of recycled food packaging increases the chances of contamination, thereby potentially affecting the environment and human health. Since paper packaging is biodegradable, it is preferred over recyclable packaging.

According to our (Global Info Research) latest study, the global Food Contact Paper for Packaging market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

This report is a detailed and comprehensive analysis for global Food Contact Paper for Packaging market. Both quantitative and qualitative analyses are presented by manufacturers, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along with market share estimates of some of the selected leaders for the year 2023, are provided.

Global Food Contact Paper for Packaging market size and forecasts, by Type and by Application, in consumption value ($ Million), sales quantity (Tons), and average selling prices (US$/Ton), 2018-2029

Global Food Contact Paper for Packaging market shares of main players, shipments in revenue ($ Million), sales quantity (Tons), and ASP (US$/Ton), 2018-2023

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Food Contact Paper for Packaging

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Food Contact Paper for Packaging market based on the following parameters - company overview, production, value, price, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Mondi, Westrock Company, Georgia-Pacific LLC, Twin River Paper Company and UPM, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Market Segmentation

Food Contact Paper for Packaging market is split by Type and by Application. For the period 2018-2029, the growth among segments provides accurate calculations and forecasts for consumption value by Type, and by Application in terms of volume and value. This analysis can help you expand your business by targeting qualified niche
