Abstracts

Food and salad dressings are used for garnishing and enhancing the taste of food products, especially salads, burgers, sandwiches, and other snack items.

Scope of the Report:

This report focuses on the Food and Salad Dressings in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. The mayonnaise dressings segment dominated the market and accounted for more than 61% of the market share in terms of revenue. The availability of vegan variants of mayonnaise dressings is in high demand globally and the growing demand from increasing number of fast food restaurants are some of the factors driving the growth of the mayonnaise dressings segment.

The Americas dominated the food and dressings market. Factors such as the increasing popularity of ranch and vinaigrette flavors and a growing preference for private labels will contribute to the growth of this market in the Americas.

The worldwide market for Food and Salad Dressings is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
