Abstracts

According to our (Global Info Research) latest study, the global Golf Travel Insurance market size was valued at US\$ 2058 million in 2025 and is forecast to a readjusted size of US\$ 2972 million by 2032 with a CAGR of 5.4% during review period.

Golf Travel Insurance refers to a specialized travel insurance product designed to provide financial protection for golfers during domestic or international golf trips. Based on conventional travel insurance coverage, golf travel insurance includes additional benefits specifically tailored to golf-related activities, such as protection against loss, theft, or damage of golf equipment, golf bag delay, golf course booking cancellation costs, tournament participation expenses, and travel disruptions caused by medical emergencies, accidents, flight delays, or lost baggage. Premium golf travel insurance products may also provide coverage for golf liability risks, personal accident protection, emergency assistance, and overseas medical expenses. These insurance products are mainly targeted at recreational golfers, business travelers combining golf activities with trips, amateur players, and participants in international golf tournaments.
