Scope of the Report:

This report focuses on the Halal Cosmetics and Personal Care Products in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application.

In terms of value, USA and EU sales account for 4% of total market share, while Middle East growing at a good pace owing to large population and high economic growth rate

occupies the 12% market share of the global consumption value. The increasing demand for skin care drives Halal Cosmetics industry developing fast. For the brand owners, such as Wipro Unza Holdings, INIKA Cosmetics are very popular in the world. For the production, Southeast Asia is the largest production region contributing to nearly 39%-41% market share. Due to large population and low labor cost, there are many "OEM" manufactures. They provide a wide range of services for many famous brands with lower processing cost. The actual manufacturers of Halal Cosmetics are not famous among the consumers. In the future, the production and consumption is estimated to continue developing with a stable growth rate. To meet the large and increasing demand, more and more manufacturers will go into this industry.

The worldwide market for Halal Cosmetics and Personal Care Products is expected to grow at a CAGR of roughly 5.5% over the next five years, will reach 2240 million US\$ in 2023, from 1630 million US\$ in 2017, according to a new GIR (Global Info Research) study.
