Abstracts

A hat is a head covering which is worn for various reasons, including protection against weather conditions, ceremonial reasons such as university graduation, religious reasons, safety, or as a fashion accessory. A cap is a form of headgear. Caps have crowns that fit very close to the head. They are typically designed for warmth and, when including a visor, blocking sunlight from the eyes. They come in many shapes and sizes. Millinery is sold to women, men and children, though some definitions limit the term to women's hats.
