Abstracts

According to our (Global Info Research) latest study, the global Healthcare Performance Improvement and Management Service market size was valued at US\$ 244 million in 2025 and is forecast to a readjusted size of US\$ 393 million by 2032 with a CAGR of 7.0% during review period.

Healthcare Performance Improvement and Management (HPIM) Service is a specialized, data-driven consulting and operational service designed to optimize the quality, efficiency, safety, and financial sustainability of healthcare organizations—including hospitals, clinics, long-term care facilities, and health systems. It integrates clinical best practices, process engineering, data analytics, and regulatory compliance frameworks to address gaps in care delivery, reduce operational waste, enhance patient outcomes, and align organizational performance with industry benchmarks and value-based care (VBC) requirements.

Unlike fragmented quality improvement initiatives, HPIM services take a holistic, end-to-end approach that spans clinical workflows, administrative operations, financial performance, and patient experience, with a focus on measurable, sustainable improvements rather than short-term fixes.

This report is a detailed and comprehensive analysis for global Healthcare Performance Improvement and Management Service market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along

with market share estimates of some of the selected leaders for the year 2025, are provided.

Key Features:

Global Healthcare Performance Improvement and Management Service market size and forecasts, in consumption value (\$ Million), 2021-2032

Global Healthcare Performance Improvement and Management Service market size and forecasts by region and country, in consumption value (\$ Million), 2021-2032

Global Healthcare Performance Improvement and Management Service market size and forecasts, by Type and by Application, in consumption value (\$ Million), 2021-2032

Global Healthcare Performance Improvement and Management Service market shares of main players, in revenue (\$ Million), 2021-2026

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Healthcare Performance Improvement and Management Service

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Healthcare Performance Improvement and Management Service market based on the following parameters - company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Vizient Inc, Deloitte, Berkeley Research Group (BRG), ECG, Philips, Chartis, Kaufman Hall, NACCHO, FORVIS, Claro Healthcare, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals.

Market segmentation

Healthcare Performance Improvement and Management Service market is split by Type and by Application. For the period 2021-2032, the growth among segments provides accurate calculations and forecasts for Consumption Value by Type and by Application.
