SCOPE OF THE REPORT:

This report focuses on the Home Decorations in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. Nowadays, consumers prefer online retail platforms for buying furniture, owing to availability of a wide array of home decor products at discounted/affordable price. Increasing cost of raw materials, such as leather and superior quality wood, is limiting the market growth. Improving lifestyle and increasing disposable income of individuals would offer several growth opportunities to the players operating in the market.

The worldwide market for Home Decorations is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
