Abstracts

According to our (Global Info Research) latest study, the global Home Delivery Service market size was valued at US\$ million in 2024 and is forecast to a readjusted size of USD million by 2031 with a CAGR of %during review period.

Nowadays, the pace of life is getting faster and faster. Many people are very busy and have no time to pick up the express at the express point. For the convenience of customers, more and more courier companies provide door-to-door delivery service, which not only saves time and effort, but also enjoys a better courier service experience. The door-to-door service makes our express delivery experience more convenient and comfortable, but we also need to pay attention to choose a regular express company, provide detailed address and contact information, and keep the phone open to ensure the on-time delivery of the goods.
