Abstracts

According to our (Global Info Research) latest study, the global Hotel Channel Management Software market size was valued at US$ 509 million in 2024 and is forecast to a readjusted size of USD 863 million by 2031 with a CAGR of 7.9% during review period.

Hotel channel management software, also known as a hotel channel manager, is a software tool that helps hoteliers manage their online listings across booking sites and distribution channels. The software updates the real-time availability and rates of hotel rooms across booking channels, including online travel agencies, global distribution systems, metasearch engines (Google), and direct booking channels (e.g., company website and social media pages). It lets hotel businesses take reservations as well as resell rooms at a fixed commission on these channels.

Global key players of Hotel Channel Management Software include Amadeus Hospitality, Oracle, DerbySoft, etc. These top three companies hold a market share over 40%. Europe and North America are the major producing regions in the world. In terms of application, the product is most widely used in Luxury & High-End Hotels, followed by Mid-Range Hotels & Business Hotels.

This report is a detailed and comprehensive analysis for global Hotel Channel Management Software market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along with market

share estimates of some of the selected leaders for the year 2025, are provided.

Key Features:

Global Hotel Channel Management Software market size and forecasts, in consumption value ($ Million), 2020-2031

Global Hotel Channel Management Software market size and forecasts by region and country, in consumption value ($ Million), 2020-2031

Global Hotel Channel Management Software market size and forecasts, by Type and by Application, in consumption value ($ Million), 2020-2031

Global Hotel Channel Management Software market shares of main players, in revenue ($ Million), 2020-2025

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Hotel Channel Management Software

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Hotel Channel Management Software market based on the following parameters - company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include SiteMinder, STAAH, Amadeus Hospitality, D-edge, Cubilis (Stardekk), RateTiger (eRevMax), Oracle, Hotel Spider (Tourisoft), SynXis (Sabre), Vertical Booking, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals.
