Abstracts

The global Infor Partner Network (IPN) market size is expected to reach \$ 908.2 million by 2029, rising at a market growth of 8.6% CAGR during the forecast period (2023-2029).

The Infor Partner Network (IPN) is a global ecosystem of people, services, and systems designed to provide partners with world-class solutions to sell, and the highest quality of training, support and enablement in the industry. Our goal is to organize a skilled team of partners, committed to growing with Infor, expanding their businesses and staying ahead of the market, while providing customers with innovative technology suites that are beautiful, functional, and easy to use. Channel Partners are independent companies that resell, implement or support Infor products. Alliance Partners are companies that co-sell with Infor to complement and provide services for the Infor portfolio of solutions. Product partners provide solutions for unique or niche market opportunities in conjunction with an Infor solution as prescribed and directed by Infor Product Management.

This report studies the global Infor Partner Network (IPN) demand, key companies, and key regions.
