Abstracts

According to our (Global Info Research) latest study, the global Institutional Pension Services market size was valued at USD 274860 million in 2022 and is forecast to a readjusted size of USD 366160 million by 2029 with a CAGR of 4.2% during review period.

Elderly care institutions mainly include social welfare homes, elderly apartments, elderly rehabilitation institutions, nursing homes, palliative care institutions, etc. Elderly care institutions are organizations that provide full-time centralized accommodation and care services for the elderly in specialized facilities (nursing homes). Full time elderly care institutions can establish community elderly care service stations or provide home based elderly care services, but they should meet the standards for the establishment of full-time elderly care institutions.

Between 2015 and 2050, the proportion of the world's population over 60 years will nearly double from 12% to 22%. Substantial increase in the geriatric population across the world has increased the demand for the pension service worldwide.
