Abstracts

International PEO (Professional Employer Organization) is a flexible employment solution that enables businesses to employ workers in a foreign country, bypassing the need to first establish a legal entity before operating in that market. International PEO service providers support companies looking to expand their operations globally. They help companies gain a legal presence in foreign locations without having to establish their own legal entity and take on the associated risks. International PEO providers can assist with a company's global hiring, HR, benefits, payroll, taxes, and compliance needs, among other needs.

Employer of Record (EOR) is an alternative payroll solution often provided by staffing companies. And they become a full legal employer of the payroll employee. The EOR handles timekeeping, payroll, compliance, benefits, unemployment claims, worker's comp, etc.

According to our (Global Info Research) latest study, the global International PEO and EOR Service market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.
