Lacquer lip glaze refers to a lip glaze with a color and glossiness similar to that of paint. It has a long-lasting makeup effect and can create a charming luster and full coverage effect with just one touch. It is similar to water-gloss mirror lip glaze, but the difference is that it does not have the transparency of water-gloss lip glaze. Its moisturizing effect is greater than that of matte lip glaze, combined with a comfortable gel texture, giving a bright color while effectively keeping the lips moisturized and comfortable.
