Abstracts

The global Landlord Representation Services market size is expected to reach \$ 1841 million by 2032, rising at a market growth of 7.4% CAGR during the forecast period (2026-2032).

Landlord agency services are professional third-party real estate consultants, brokerage firms, or leasing service agencies commissioned by commercial property owners, developers, REITs, real estate funds, financial institutions, public asset holders, and their asset managers. Their core focus is on protecting the interests of the lessor and improving the rental performance of assets. Services include leasing strategies, market research, property positioning, rent and leasing incentive design, tenant mix planning, project marketing, target tenant screening, brokerage channel management, viewing coordination, commercial terms negotiation, letter of intent management, pre-leasing, lease renewal, tenant retention, and lease execution.

This report studies the global Landlord Representation Services demand, key companies, and key regions.
