According to our (Global Info Research) latest study, the global Luxury Holidays market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

Luxury holidays are perfect for those who want everything out of their vacations including all the amenities, comfort and relaxation, entertainment and adventure. A luxury resort is generally located near the beach, so that guests can easily walk or bike from their hotel room to their destination after spending time enjoying themselves on the sand and waves.

Luxury holidays are ones that provide an extensive amount of amenities and services, allowing tourists to take advantage of luxuries and activities that they would not normally be able to enjoy at home or on their own vacations. This makes them perfect for those who want everything out of their vacations including all the amenities, comfort and relaxation, entertainment and adventure.
